UNITED STATES CIVIL SERVICE COUNTS FICH Office of the Executive Director Interagency Advisory Group Washington 25, D. C.

December 16, 1954

1900

Directors of Persuncel

FROME

O. Glern Stahl Executive Vice-Chairman Interagency Advisory Group

EUBJECT: Asport on Whitten Amendment Celling

The attached report of the interagency Committee on Whitten Amendment Colling is being distributed so that any personner directors who have further salvice or reaction to the proposal made by this committee can express themesolves to the Civil Service Commission before final policy decision is made.

If, eiter studying the attached report, you wish to write or call in eary comments, please do so within the next few days. Calls should be directed to Dr. Katherine A. Frederic of the Regulations and Instructions Division, Internal left, Extension 4950. If you believe that a special meeting of the International Advisory Oroup is necessary before Thristmes to discuss this subject further, please advise us as soon as possible. It is our essumption that such a meeting will not be necessary, because it appears that the plan in the re-

It is the hope of the Commission staff to have Commission setion on this policy by the end of December.
